Subject: PHLEFFEIN ELLIS, Edgefield SC, DOCK BLACKSTONE

To All,

As you may know, I have been searching for the father of JAMES COLEMAN BLACKSTONE (son of Susan Ann HUTTO), b. 1863, d. 3-10-1933 in Augusta, GA. I

have been told, that my middle name (OTTO) comes from a doctor named OTTO. I

just found out that my gggf was named "DOCK". Could he be a HUTTO? I realize that this is a longshot, but what the heck. Recently I looked up

the death certificate number of James Coleman BLACKSTONE at the Marietta

library on microfiche, and mailed in \$10 to the GA Dept. of Human Resources

to receive a copy of his death certificate. His death certificate gives the following information:

The death certificate of James Coleman Blackstone lists DOCK BLACKSTONE (b.

Richmond Co., GA), and PHLEFFEIN ELLIS (b. Edgefield Co., SC) as James

Coleman's mother and father. Also, according to his death certificate, R.E.

Elliot and Sons, Augusta, GA, is the name of the undertaker. The death

certificate names J.L. BLACKSTONE of 2004 Fenwick St., Augusta, as an informant. Another name of importance listed on the death certificate is

USEMIA. It also lists his occupation was in a silk mill, and that he was

buried in West View cemetery in Augusta, on 3-12-1933.

ARE ANY OF THESE NAMES FAMILIAR TO Y'ALL?

Any help would be appreciated,

James (Jim) Otto Blackstone III
